

Universal Slotted Hard Hat Adaptor - Dielectric

ORDERING INFORMATION

<u>Product No.</u>	<u>Material</u>	<u>Weight</u>	<u>Fit's Hard Hats</u>
S61970	Nylon	0.96 oz (27g)	Universal Slots up to 1.35" (34 mm)

Description and Performance:

Exclusive universal slotted hard hat adaptor makes mounting and removing simple and easy. Designed to fit Sellstrom's DP4 Face Shield's and Welding Helmets, its dielectric design makes it easy to assemble and provides an overall tight and secure fit. The universal slotted hard hat adaptor easily allows users to attach face shields and welding helmets to most leading brands of slotted hard hats. No tools are required and is made entirely of non-conductive materials.
