

DUST SHIELD PRO™ EXTENDABLE POLES

Dust Shield PRO™ is the innovative system that makes constructing temporary walls to control dust and heat loss, quick, simple and affordable.

The locking head ensures that screening will not slip; and the dent resistant poles, with patented micro-adjust handles, are designed to stand up to the toughest conditions. Once done, the Dust Shield PRO™ pole compacts for easy storage. They are available in 12 ft and 20 ft.
